We are located halfway between Oxford and Reading, on the way from Wallingford to Goring, about 10 miles from Henley and Didcot. Little Stoke is on the East side of the Thames, off the B4009, between North Stoke and South Stoke. You can pick up the B4009 in Newbury or Stratley / Goring (coming from the South) or off the Wallingford bypass (A4130) south of Wallingford. Unfortunately we are not allowed any signs on the main road.

From the N - after leaving North Stoke (and the Springs Golf Course), take the next right (3/4 mile) signposted **Little Stoke** and follow the road loop around until 2 brick gate posts on the RHS, where we have a small sign.

From the S - After leaving South Stoke, take the next left (1/2 mile) signposted **Little Stoke** and follow the road down and around, before taking a left into farm entrance with brick gate posts and our small sign.

For SAT NAV users, be careful and do not go to Cholsey - this is on the opposite side of the river (you need to be on the E side) and you will then have to cross it either at Stratley or Wallingford (another 10-15 mins). Your reference points should be Goring or Wallingford.
